

NOTICE FOR ALL BBA STUDENTS (1000, 2000, 3000 & 4000 Levels)

2022/2023 Academic Year

During the examination period, it is noted that some of the students use to submit the Medical Certificates (MCs) at the last moment of the examinations when the INELIGIBILITY LISTS of students are notified, and the EXAMINATION ADMISSIONS are issued.

We have noticed that the aforementioned MCs are for the dates of two three months back.

This practice of submitting late MCs for months, after the notification of ineligibility lists and issuance of Examination Admissions, will not be entertained by the Examinations Unit of Dean's Office in the future.

Thus, the students are requested to submit MCs on time (within seven days of the particular absent period) enabling us to forward them for the recommendations of the Chief Medical Officer.
