

Dear Students,

I have attached the list of 19 Batch containing the **names with initials and full names** with other details.

I would be grateful if you could make necessary arrangements to let me know **if there is any correction (*legitimate*) in relation to the name with initials and full names, on or before 24.04.2025.**

Please also check the other details too.

If there is **any spelling mistake or correction in the name with initials and full names**, please let me know before the deadline enabling me for the preparation of graduands lists. If your name is not there in the 19 Batch list, who is supposed to be graduated with the aforementioned batch, please inform us. **If any response is not received by the deadline, I presume that the names with initials and full names are correct.**

Please note that **NO CHANGES CAN BE MADE once the graduands lists are submitted for the approval of the Senate** for degree certificates.

Thank You and Best Regards
